Car Parking in Richmond

(1 JUNE 2026)

This is a disc. If parking in a Disc Zone, set dial to your arrival time and leave visible in your windscreen (or on your motorbike, as applicable). No payment needed.

Disc Zone

BLUE ON THE MAP

Free disc parking for two hours between 08:00 and 18:00 in much of Richmond's Historic Centre. You may move to another street in the Disc Zone to start a new two-hour period; but if you want to park again in the same street, you should leave at least one hour before doing so. The Market Place counts as a street. Discs are free from most shops, and from Richmond Information Centre in the Market Hall. They may be used anywhere in North Yorkshire where disc parking operates.

Sundays: unlimited free parking; no disc needed.

NB: Bank Holidays are treated as normal weekdays, so you will need to show a disc!

EV Charging

Nun's Close car park has four 22 kW chargers for electric cars. They work with a simple tap of your credit/debit card. Don't forget to buy a parking ticket as well!

Public toilets

Toilets in car parks need a 20p coin or a RADAR key
